Dekko Family of Brands

WHO WE ARE:

ECA is a leading designer and manufacturer of power, data, and modular electrical solutions for the office furniture industry. Our family of power and data modules extends from high-end table troughs used in conference room applications to simple power data grommets used in training table, library and educational applications. In addition, we offer a complete line of modular electrical wiring systems which can be easily integrated into many panel and furniture designs. We provide 8 wire systems in a variety of configurations to fill all power requirements. Our DaisyLink™ 4 wire, 2 circuit system is compatible with many of our power and data grommets making connecting multiple units together quick and easy.

With over 42 years experience, ECA has led the way in developing products which provide solutions to ever changing market needs. Commitments to product development, customer service and support and the manufacturing of quality products are our top priorities.

In 2016, ECA was acquired by Dekko. This combination positions ECA and Dekko as the North American market leader of electrical solutions serving the office furniture industry and related markets.

We provide consultative services on electrical layouts and overall product configuration. From minor product modifications to custom finish colors, we can easily accommodate these requests to ensure you get the most attractive and cost effective solution for your project.

ECA's Mission:
ECA provides innovative power and data solutions. We are committed to delivering the ultimate customer experience by building strong relationships focused on our customer's individual needs.

ECA's Vision:
To bring passionate people together to work hard, have fun, and inspire each other.

USB & Data Capability		✓	✓	✓	✓

Clamp Mount

The Clamp mounting method requires no tools, and is best suited for installations where the back of the unit is easily accessible. The clamp mount works well for desks, benches, tables and case goods. The Cove is fastened to the furniture from the rear by tightening the thumbscrews.

Screw Mount*
*Screws not included

The screw mounting method is best suited to installations where the back of the unit has limited, or no access. Ideal for soft sided seating, lounge furniture and support columns. The screws are inserted from the front of the unit, through the face of the Cove, fastening the Cove to the furniture.

Convenience Outlets**
Convenience outlets are perfect for stationary accessories like lamps, computers, or monitors which do not need to be accessed often allowing more room to plug in temporary devices like laptops, tablets, and mobile phones above the work surface where they are more easily accessible.
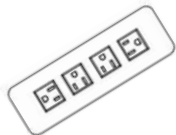

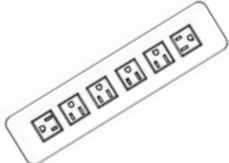

**Available on select models

Mounting hole

*Screws not included

The screw mounting method is best suited to installations where the back of the unit has limited, or no access. Ideal for soft sided seating, lounge furniture and support columns. The screws are inserted from the front of the unit, through the face of the Cove, fastening the Cove to the furniture.

Policies

Guarantee
ECA stands behind the quality of all the products we manufacture. If at any time you are not fully satisfied with your purchase please contact us. We will work with you to resolve the concern and if we cannot satisfy you we will provide you with a credit or refund. Custom product configurations and telecom plates are excluded.

Return Policy
We accept back Quick Ship items shipped within 30 days (excluding custom-made items and telecom plates) in new condition with a 25% restocking fee. Contact our customer service department before shipping items back for a Return Authorization Number. Products being returned must be packed well and securely to arrive back here in undamaged, resalable condition within 60 days of RMA being issued. When possible, please insert a copy of your original invoice or packing slip inside the box. Please be sure to include all original accessories to assure proper credit.

Privacy Policy
ECA knows that you care how information about you is used and shared and we are committed to protecting your privacy. We do not rent or sell any of your customer's information to third parties. All information is held in strict confidence. The following details our Privacy Policy. We reserve the right at any time to modify or update our policy. By visiting our website, you are accepting the practices described in this Privacy Notice.

Shipping and Delivery
ECA's lead time varies by product. While many of our products are offered on Quick Ship and will ship within 48 hours, there are others that can take longer. Lead time will be noted by product on the site. Customer service will contact you if your order requires more time to process. We ship via UPS – unless you specify another carrier or the order is large and can be shipped more economically via truck. Our preferred

Freight charges are based on the weight of your order, shipping zone in the continental US and an added handling fee. Additional charges may apply to items that require special packaging, are oversized or heavyweight, or require special handling by the carrier. Large items or quantity orders may ship by truck. Freight charges will be prepaid and added to your invoice. Or, contact us if you would like to charge freight to your own account.

Customers who request address changes, after shipment, will incur a flat re-routing fee of $25.00 plus any additional transportation fee charged by the shipping carrier. If the customer requests the package to be returned to ECA, the 25% restocking fee will apply.

Expediting Orders
ECA reserves the right to charge for services incurred to expedite orders through our production process. The following expedite fees may apply:
- Orders less than $500.00 are subject to a onetime flat fee of $50.00
- Orders $500.00 - $1,500.00 are subject to a onetime flat fee $100.00
- Orders $1,500 and up are subject to a onetime flat fee of $195.00

Minimum Order
There is a minimum order value of $25.00 per order required. If the product selected does not meet this minimum it will be billed at the $25.00 value.

Resale Orders
All shipments to CA, CO, CT, FL, GA, IL, KS, MA, MD, MI, MN, NJ, NY, OH, TX, and WA addresses are subject to state sales tax. Clients holding valid Resale Certificates, and who are purchasing with the intent of reselling our products, are tax exempt. If your resale certificate is on file with us, just click the link during checkout that indicates your status, and tax will be removed from your order upon verification.

Price Quotations and Custom Orders
Items custom-made to your exact specifications require a 50% deposit upon order placement and are not returnable. Please contact us directly to discuss custom items and obtain a pricing proposal.

Blanket Orders
We provide opportunities for quantity discounts based on blanket purchase orders which can be arranged with shipments occurring over a 6-12 month period. Please call to arrange pricing and terms.

Prices
Pricing is effective February 1, 2018 and subject to change without notice.

Colors
Although we do our best to provide color photographs that are representative of our finishes, some products and color swatches shown on this website may not exactly match the actual color of the product. If you need to confirm a color, please call and we will send a color sample for approval.

Specification/Installation Drawings
The specification/installation drawings are provided to help give dimensions and installation guidelines for our products. If you need a dimension not shown, or more specific information, please contact our customer service department for help.

Terms
We accept VISA, MasterCard, Discover and American Express. Net terms may be established, please request our credit application.
